ABOUT OUR COMPANY

Al Qimma Security Systems and Carecom are separate legal entities under Care n Cure Group of Companies and is managed by the same leadership team for more than a decade. While Al Qimma Security Systems holds the Ministry of Interior approval for all security-related services, we operate under the authorized trade name of Carecom. Therefore, all literature and documentation pertaining to projects, communication, marketing, invoicing and financials shall be sent through and to Carecom.

Together, we are a fast-growing ELV System integrator approved by the Ministry of interior(MOI) specialized in design, supply, installation, configuration and maintenance of ELV systems. We have been serving our customers more than a decade by keeping up with the latest technologies & innovation, Our expertise in the ELV sector enables us to meet the clients' requirements in a variety of sectors. We provide solution and services-based on industries best practices to satisfy the requirements of small, medium, and large enterprises as well as government sectors.

Our vision

To become a leading ELV business conglomerate, by focusing on our customers and committing ourselves to exceed quality expectations through motivation, empowerment, and dedication.

Our Mission

To excel in business by committing ourselves to create effective customer relationships with high emphasis on customer satisfaction by providing products that meet and exceed their expectations.

OUR TEAM

Our team at Carecom consists of 10 skilled engineers, 30 senior technicians, and 40 assistant technicians and helpers, all dedicated to delivering exceptional solutions in the ELV sector with unmatched expertise and efficiency.
